To carry out custom formalities and all related activities
the signatory/the grantor of power of attorney,

hereinafter known as “**signatory**”,

grants, until recalled

Company **First Class Zollservice GmbH**
Address **Neckarstr. 45**
D-65479 Raunheim

TAX-ID-No **DE262831029**

hereinafter known as “**the customs agency**”,

power of attorney to carry out the transactions and formalities for account and on behalf of signatory,
as prescribed by Customs and related laws in respect of shipments of goods brought by/on behalf of
signatory or meant for the signatory.

The signatory hereby authorizes the customs agency, in accordance with article 5 paragraph 2, first
line-item of the Common Market Customs Code (Regulation EEC no.2913/92) to carry out the
transactions and activities as prescribed in the Customs Code in respect of the mentioned shipments
of goods

In the name of the customs agency, but on behalf of the signatory.

**With regard to the levy of VAT, the signatory also authorizes the customs
agency, to act as his tax representative, with limited license in respect of the
shipments mentioned above**

This power of attorney can only be recalled in writing by the signatory.

In respect of the above, the undersigned accepts the application of the “General conditions for
services concerning customs, VAT and tax representation” of the (.....) in the most recent
version, published in the Official State Journal of Germany. The customs agency retains the right at all
times to refuse an assignment to carry out transactions and formalities resulting and specified in this
empowerment.

The export notice for INTRASTAT will be carried out automatically by First Class Zollservice GmbH.
The signatory is aware of the fact that although the customs agency is representing his clients, they
are obliged to declare and pay V.A.T. in any other country within the E.C.

If import duties or excises still have to be paid, the signatory will do so immediately.

If customs authorities demand a guarantee as a result of verifications, determinations, inspections "a
posteriori", subjections, or other administrative modalities; also in case of post-recovery or recovery of
any supplementary debts; including fines not caused by fault of the customs agent; as well as the
possible interests for overdue payments, undersigned will settle the amount on first request, without
however renouncing his right of formal objection against the administrative decision or ordinance.
